

Please join us for a Winter Festival decorations planning/crafting meeting **Wednesday**

October 18 from 3:00- 6:00 PM in the Art Room.

Come help us plan decorations for the Winter Festival while we craft. Please join us for whatever time you have available to contribute your ideas and partake in some crafting.

We will be working on Origami Doves, if you have time to make a few and bring them, it would be very helpful! If you can't attend our meeting but have doves to contribute, please drop them off at Andrea Tropf's desk in the office. Instructions: <https://www.youtube.com/watch?v=w7L1nll3TUY>

This is a Parent focused meeting, but if you need to bring your Kiddos, please bring something to keep them occupied while we chat and craft.
